SPRING/SUMMER 2012 SEWING CLASSES

*W*e have planned a fabulous selection of classes to include FASHION, QUILTING, SERGING and EMBROIDERY for this next season of sewing.

Our FASHION classes offer up-to-date styling, but most importantly getting the help you need in fitting. Once you have a few key patterns that fit you, the rest is easy!

Our Quilting classes include several quick yet fun projects that will help develop your skills, confidence and technique.

Our serger classes will develop your skill and confidence and you will quickly become addicted to serging as you can make a garment in just a few hours. Our self-threading Babylock sergers with NO tensions to adjust makes serging a breeze.

Embroidery classes continue this season thanks to "Anita Good Designs". They are the leader in home embroidery designs. They have an immensely talented staff and their quality is superior. We are now a Distributor of this beautiful product line.

Our wonderful team of teachers are all excellent in their field. They strive to create an environment that's not only fun but also conducive to helping you gain both skill and confidence in your sewing. Our classes are small to ensure results!

Immediate registration is required to reserve your space. Refunds or credits are given with a 2 week notice. We do ask that all materials needed for your class be purchased at MaCherie Fabrics and Friendships.

Inquiries are always welcomed.

Here`s a project that makes up quickly but looks fantastic. Our sample says it all! Transform any table into an elegant setting. Lots of new fabrics to choose from.

Free Form Frolic

\$45.00

Tuesday, May 15, 29
1:30-4:00p

Learn how to create overlapping curves to produce a one of a kind design composed of three or more individual units. Five to six exciting fabrics, the use of a Cut A Round tool and fusible web are needed to create this project. Once the design is developed, many different machine stitches will be explored to develop depth and interest. The final project may be used as a well hanging, part of a designer garment or expanded to become a table or bed runner. To finish the project, you will need batting and backing to fit your chosen finished size. This is a great class to develop new techniques. Sample available.

"Frazzle Free" Free Motion Stitching

\$35.00

Thursday, June 14
10:00a-12:30p

Learn the tricks of taming free motion stitching. You will be taught how to control the tensions in your machine to produce beautiful stitches with the need dogs lowered. This gives a new approach to quilting which is completely unique. Using test quilt sandwiches, we develop a dictionary of stitches to apply to your unfinished quilts. Beginning with meandering and stippling we will progress through many different designs. This will help each individual to have the confidence to try her own creative stitches. Your machine must have the ability to drop the feed dogs.

Appliqué Techniques

\$35.00

'What's New Cupcake'
Tuesday, June 5
1:30-4:30 p.

Different methods of appliqué will be taught. Each student will select the method she prefers to create one of the following: a framed picture, a wall hanging, pillow top or the result may be expanded to become a table runner or skinny quilt to place across the bottom of a bed. Templates will be provided to create a cupcake design. The order of applying the parts of the appliqué design will be explained. A variety of basic and embroidery stitches will be demonstrated to complete the design. Two or three basic and embroidery stitches will be demonstrated to complete the design. Fusible web, white freezer paper, fine needle for hand appliqué, suitable thread to match colours of fabrics and a variety of threads suitable for embroidery are needed for this class. Batting and backing will be needed to complete this project.

'Strips and Strings' - Foundation Piecing

\$35.00

Tuesday, June 12

1:30-4:30p.

Learn how to be totally accurate by making quilt blocks using a base fabric onto which a wide variety of co-ordinating fabrics are added. The result will be a one of a kind 24" square constructed and of 4` quilt as you go` blocks. Students will be taught a method of joining the squares together. Fat quarters are suitable for the project (minimum of 6 or more for variety) plus one fabric for joining. Muslin or similar fabrics is needed for a base fabric. Once this technique is learned it is easily used for larger projects. Sample available.

'Quick and Easy' Baby Quilt

\$45.00

Tuesday, May 15, 29

10:00a-12:30p.
